EDUCATION

Dear Readers,

Greetings and Best wishes for 2026

As we step into the new year, we are pleased to share the final quarterly update of 2025—a year marked by meaningful milestones and collective achievements. This editorial highlights the key achievements of MESCO and MES in 2025.

MESCO's healthcare support was recognized by LTMG Hospital and Wockhardt Hospital for assisting needy patients during their treatment.

Our education initiatives reached historic milestones, with the Education Adoption Scheme (EAS) completing 50 years and the High-Cost Education Scheme (HCES) celebrating 25 years of student support.

Adding to these achievements, MES' Radiant English High School & Jr. College won the Star Education Awards 2025 for Best Infrastructure in School – Maharashtra (Thane), while MES' Crescent English High School & Jr. College secured 1st position in the Mukhyamantri Majhi Shala Sundar Shala Abhiyan, winning a ₹3 lakh prize after selection at Taluka and District levels.

These accomplishments are made possible through the continued trust and generosity of our donors and well-wishers. We thank you sincerely and look forward to your support in the year ahead.

- ▶ **Aptitude Test** for EAS students was conducted on 20th October 2025 at Anjuman-I-Islam Girls' High School, Bandra.

SUCCESS STORY

Leena from Andheri lost her father during Standard XII and nearly gave up her studies due to family responsibilities. MESCO supported her education through the EAS, helping her regain confidence and skills.

After completing her BAF, she was selected by Motilal Oswal, rising from Executive to Team Mentor within five years. Today, she supports her family, is pursuing an MBA, and dreams of owning a home in Mumbai.

We wish her continued success and good health.

A Timely Intervention that Saved little Mizan's life

Master Mizan Ansari a 4-year-old from Bhiwandi was diagnosed with a serious kidney condition requiring urgent treatment costing ₹47,000, which his family could not afford. MESCO's timely support made the treatment possible. Today, Mizan is healthy and recovering well, and his family is deeply grateful to MESCO and the donor.
